

Maple Ridge Pool Opening Postponed

For the safety of you and your family the two community pools will remain closed until further notice and will not be opening the first Saturday in May. The Association does not have the budget to add the needed employees to constantly sanitize the bathroom floors, toilets and sinks, pool furniture, pool gate handles and other surfaces. We would not be able to check Id's to ensure resident only usage, and to be able to have control over visitors from outside the community using our facilities and exposing our residents.

Thank you for your patience and understanding during these unusual times. We will notify everyone when the pools will re-open.
